Treasurers Report-- We are going to start accounting for the scholarship funds differently with a new account. The red dirt was delivered. Waiting for declaration night for more funds. Discussed the bills, more specifically the phone and wifi bill. Looking into a more cost effective way.

Old Business--

Pony balk rule – Basically that we will still count balks as a ball in Pony.

Approved 11-0

New Business

Greg George –

INSTILLING IN OUR COMMUNITY YOUTH THE IDEA OF CHRISTIAN CHARACTER

Pony Rules –22. Runners can advance, at their own risk, from 1st base or 2nd base to 3rd base on any pitched ball once it has crossed the plate, but cannot advance from second base to home plate on the same play, unless the defense attempts a play on that or another base runner. If the runner scores illegally, they will be called out.

New- Change last line to say sent back to their previous base (instead of being called out)

Seconded by Brent & Alan

General playing rules – 23. The USSSA rule on courtesy runners for the catcher will be used in all leagues except tee ball. The last batted out can be used as a runner for the catcher that completed the last defensive out for the batting now at bat. Example player #21 caught the last out of the 3rd inning, and reaches bases to lead off the 4th, that last batted out for his team prior to his at bat can be used to run for him.

New – Change courtesy runners to be used for both catchers and pitchers (this would put us in with USSSA rules)

Seconded by Brent

Question about pitching limits in Pony since we combined divisions.

New - Proposed we make the limit 2 innings.

Seconded by Brent

Alan Schwartz

Ice discussion about raising the price by \$0.25.
